Flying Change Therapy -- Have you had a fall off of your horse or had a horse-related experience from which you currently experience fear, stiffness, and/or anxiety? Would you like to experience your earlier joy, energy flow, and connection with your equine partner? I have a distinct focus working with equestrians who, because of horse-related trauma, currently experience fear, anxiety, and stiffness in their riding and wish to recover their earlier vitality, flow and joy. With the help of techniques which dissipate your mind/body trauma response and mindfulness, I help riders achieve their goals. I am a Licensed Social Worker in Northern Virginia who is also a horse owner and dressage enthusiast -- give me a call or email me. Sliding Scale Available. I have an office in Fairfax but also travel to your home/barn including Richmond and Williamsburg areas. Dr. Vicki Kirsch, 617-306-7417.

Because of unforeseen human circumstance, Ashi is up for sale. Holsteiner, 6 years old and a tall 17.3 hands, though he has no idea that he is a big horse. He's not pushy or aggressive at all; he's quite gentle and very respectful of people. Professionally broke to ride last year in May. Ashi has three solid gaits and was learning leg yields and shoulder in. He lunges with side reins and also line lines. Just introduced to cavaletti. He stands quietly for the farrier and vet. He loads in a trailer and clips easily. Easy keeper. Wonderful personality. Currently living in Michigan. \$23,000. Video link: <http://video.google.com/videoplay?docid=971202928732016863>

This is a lovely 3 year old filly recently bought to train and resell. Due to economic circumstances, owner can no longer afford to rent the facility where she keeps her five horses/ponies, and she is selling all of them. This is a Welsh/TB cross that is a 10 mover. Asking \$1000, negotiable. Cindy Evans, (757)871-6500 or [standardedition10@hotmail.com](mailto:standardedition10@hotmail.com).
